Subject: Upper Floridian Aquifer (UFA) Wells Phase 1 Engineering Services Agreement with CHA Consulting

Executive Summary

Request approval of an engineering services agreement with CHA Consulting for the Upper Floridian Aquifer (UFA) wells – Phase 1.
Staff Contact: James Keene, Public Services Administrator

Introduction

The intent of this item is to request City Commission approval of an engineering services agreement with CHA Consulting for the UFA wells – Phase 1.

Background

The City holds a Water Use Permit that identifies two (2) additional UFA wells to replace District ID Nos. 8 and 9. The two (2) replacement wells are currently proposed to be located on property owned by Nola Land Company Inc. CHA Consulting will provide engineering services to design, permit, construct and test the two (2) proposed UFA production wells. The UFA well engineering services are proposed to be completed in up to three (3) phases. This agreement is for Phase I and includes the development of well construction and testing technical specifications, along with bid package preparation and contractor selection assistance.

Organizational Goal(s)

Infrastructure: Maintain, protect and design infrastructure that ensures a desired level of service and provides for future needs.

Budget Impact

This project is under ADG account #401-10-53-3-6-63-10.

Recommendation

Staff recommends approval of the CHA Consulting agreement for engineering services related to the UFA wells Phase 1.
